Dear SBISD 8th Grade Students:

Now is the time to start planning for life after High School! The typical 8th grade student has many questions about what is the best pathway for a successful life after high school. ***What is it going to take to achieve my career goals? Is it college or vocational school? Or, a job when I graduate? How will I be able to afford to pay for college or vocational school?***

Through a partnership with SBISD and NewSpring's Flight 25, if you are attending Northbrook High School, we can help you:

- Answer the questions above as you work your way through high school.
- Find your path to a successful life after high school, perhaps by attending college.
- And, after the **successful completion of this program, you will qualify for SCHOLARSHIP MONEY to a college or vocational school of your choice.**

During 8th grade, Flight 25 will help you:

1. Understand key steps in preparing for a successful life after high school.
2. Experience a campus tour of the University of Houston.
3. Learn ways to make your post-high school education affordable.
4. Get your family more comfortable with the possibility of you attending college.

Flight 25 is free and only requires your time. You must:

Attend and actively participate in two all day, weekend sessions on:

- **Saturday, April 2nd 9:00 a.m. to 3:00 p.m.**
- **Saturday, April 9th 9:00 a.m. to 3:00 p.m.**
- Participate in the program for 4 years once you get into high school at Northbrook

Your parent, guardian or adult sponsor must approve your participation. We invite and STRONGLY ENCOURAGE them to attend both sessions with you.

This packet includes a brochure that describes the entire program, an application, and a commitment form. ***We hope you will take advantage of this valuable and important first step in preparing yourself for a successful life after you finish high school.***

Please return the completed packet by Friday, March 4th to your ELA teacher at school or Mr. Sergio Razo at Spring Spirit. If you have any questions, please ask your ELA teacher or Mr. Razo.
