## **NewSpring Scholarship Program Overview**

This guideline is designed to help you understand the process and requirements for the NewSpring Student Scholarship program. Please know that the scholarship can be revoked for not following instructions and maintaining the scholarship requirements. Please read the following pages carefully and contact NewSpring with any questions you may have.

### **ELIGIBILITY REQUIREMENTS**

To be eligible to apply for or to be awarded a NewSpring Scholarship, an applicant must be a Spring Branch ISD graduating senior student or graduates who have been involved with NewSpring.

### **SPECIFICATIONS OF THE AWARD**

The value of the award is up to \$5,000. Usually, the scholarship will be for one year; however, it is possible that the scholarship may be renewed providing the applicant can demonstrate the merit of renewal to NewSpring.

### **EVALUATION PROCEDURE**

All completed applications will be reviewed and evaluated by NewSpring. Incomplete, late and non-qualifying applications will not be considered. Each application is scored based on academic achievement, leadership, activities, awards, community involvement, a written essay and your involvement (auction participation, volunteer hours, etc.) with NewSpring.

NewSpring will select scholarship recipients based on the following criteria:

- Strong recommendation from the candidate's teacher(s)
- Strong overall academic performance with 2.5 grade average minimum
- Strong potential for a career in the visual arts – Painting, Sculpture, Graphic Design, Photography, Interior Design, Architecture, Art History or other Art related fields. **However, it is not a requirement to major in Art or a related field.**
- Involvement with NewSpring programs

### **NOTIFICATION OF RECIPIENTS**

Final approval and notification of each scholarship recipient will be made by NewSpring on May 18<sup>th</sup>, 2022. All winners will be notified by email, mail, or phone.

### **DISBURSEMENT**

Scholars will receive disbursement through NewSpring. All payments will be paid by check directly to the recipient. It is the sole responsibility of the recipient to inform NewSpring's office of any changes of contact information and to verify that NewSpring has the most recent contact information. Not maintaining correct information will result in delayed payments.

Scholarship funds will be awarded on a reimbursement basis for tuition, fees, books, room and board or expenses required by your college or university.

**Scholarship recipients must submit a reimbursement request and digital receipts of expenses/payments of the incurred costs for which the scholarship funds are used and email them to NewSpring.** Examples of the expenses for which you must copy a receipt or invoice include receipts for textbooks, tuition invoices, room and board fees payments. If you are awarded a scholarship, NewSpring will provide the reimbursement form and directions for requesting funds. It is imperative that we have all documentation of incurred costs to disburse scholarship funds.
